SHIFA HEALTHCARE EDUCATIONAL DEPARTMENT ORGANIZES ADULT MODERATE PROCEDURAL SEDATION SESSION

Shifa Healthcare Educational Department, in coordination with Dr. Muhammad Nasir Ayub Khan (Anesthesia consultant) of Shifa Hospital, organized an adult moderate procedural sedation certification session. The moderate procedural sedation method reduces the patient's consciousness level while allowing the patient to maintain an airway on his or her own. The patient also responds appropriately to physical stimulus and verbal commands.

Participants were nurses and senior technicians from each department of Shifa IPD and OPD. The session focused on assessment, care, evaluation, and monitoring of patients undergoing moderate sedation. The session was helpful for participants to update their knowledge and to ensure evidence-based practice related to moderation sedation.
