

WORLD PHARMACISTS DAY OBSERVED AT SHIFA INTERNATIONAL HOSPITAL

On World Pharmacists Day, Shifa International Hospital recognized the essential contributions of pharmacists in healthcare. Beyond dispensing medications, they are key players in patient education, medication safety, and personalized care. At Shifa International Hospital, pharmacists work closely with doctors and nurses to ensure optimal treatment plans, monitor drug interactions, and guide patients on proper medication use. Their expertise enhances patient outcomes and supports Shifa's mission of providing quality healthcare.

STEP BY STEP FOR A BETTER LIFE

WORLD PATIENT SAFETY DAY OBSERVED AT SHIFA INTERNATIONAL HOSPITAL

Quality Department, Shifa International Hospital in collaboration with Shifa Center of Professional Excellence (SCOPE) proudly marked World Patient Safety Day 2024, focusing on this year's critical theme: Improving Diagnostic Accuracy for Patient Safety.

The event brought together healthcare professionals, thought leaders and innovators to explore one of the most pressing challenges in healthcare: reducing diagnostic errors to safeguard patient lives. Through insightful discussions, shared experiences, and practical strategies, participants gained valuable tools to enhance diagnostic accuracy, ultimately leading to safer, more effective patient care.

This day reaffirmed Shifa's commitment to elevating patient safety standards, embracing innovation, and promoting a culture of continuous improvement because every accurate diagnosis is a vital step toward a healthier future.

SHIFA INTERNATIONAL HOSPITAL COLLABORATED WITH WORLD HEALTH ORGANIZATION ON WORLD PATIENT SAFETY DAY

Shifa International Hospital, Islamabad, in collaboration with the World Health Organization (WHO), celebrated World Patient Safety Day at the National Institute of Health (NIH), Islamabad. This year's theme, "Improving Diagnosis for Patient Safety", highlighted the crucial role accurate diagnosis plays in saving lives and enhancing healthcare outcomes.

Through insightful presentations, interactive sessions, and dynamic discussions, the event brought together leading healthcare professionals, policymakers, and patient safety advocates. Mr. Taimoor Shah, Chief Operating Officer, Shifa International Hospital Islamabad shared innovative strategies and global best practices to reduce diagnostic errors, emphasizing the importance of building robust healthcare systems that prioritize patient safety.

WORLD PHYSICAL THERAPY DAY CELEBRATED AT SHIFA INTERNATIONAL HOSPITAL

Day was celebrated with a special focus on this year's theme i.e. low back pain (LBP) and the role of physiotherapy in its management and prevention. The event highlighted the importance of physiotherapy in addressing this common issue.

Malik Muhammad Uzair, Director Operations, Shifa International Hospital, commended the efforts of the Rehabilitation Department's physiotherapists for incorporating best practices to provide optimal care for patients.

Muhammad Kashif Khan, Associate General Manager, Rehabilitation Department at Shifa International Hospital, emphasized the crucial role of physiotherapy and remarked that the profession not only encourages development and supports recovery but also enables individuals to remain in the workforce and maintain their independence for as long as possible.

SHERU, THE MASCOT OF ISLAMABAD UNITED TEAM VISITED SHIFA INTERNATIONAL HOSPITAL

Young champs at Shifa International Hospital were thrilled to meet Sheru, the mascot of the Islamabad United cricket team—a big thanks to Sheru for spreading happiness and distributing signed bats from the Islamabad United players.

SHIFA FURTHER STRENGTHENED ITS LONG-STANDING PARTNERSHIP WITH NAYATEL

Under the newly signed Memorandum of Understanding (MoU), Nayatel will provide secure, scalable cloud solutions and customized software technologies to optimize Shifa's healthcare operations, ensuring enhanced efficiency and innovation. Additionally, Nayatel employees will have access to comprehensive outpatient (OPD) and inpatient (IPD) services through Shifa's healthcare panel, reinforcing the commitment to delivering exceptional healthcare. This partnership marks a significant milestone in their decade-long collaboration, driving progress at the intersection of healthcare and technology.

FeNO (FRACTIONAL EXHALED NITRIC OXIDE) TESTING NOW AVAILABLE AT SHIFA INTERNATIONAL HOSPITAL

The Department of Pulmonology is pleased to announce the introduction of FeNO (Fractional Exhaled Nitric Oxide) testing, now available in Shifa's PFT lab. FeNO testing is a non-invasive method used to measure airway inflammation, playing an important role in diagnosing and managing conditions such as asthma. Shifa is pleased to offer this advanced diagnostic service as part of its ongoing commitment to improving patient care and outcomes in respiratory health. This test is simple and easy to perform, providing accurate information that helps tailor treatment for both pediatric and adult patients at Shifa International Hospital's Pulmonology Department.

SHIFA INTERNATIONAL HOSPITAL SHINES AT FIP 2024: CELEBRATING GLOBAL RECOGNITION IN PHARMACY INNOVATION

The International Pharmaceutical Federation (FIP) is the largest not-for-profit body representing pharmacists in the world. This year's FIP congress was held in the captivating city of Cape Town (S. Africa), with over 3,300 delegates from around the globe in attendance. The event brought together pharmacists from diverse backgrounds, fostering rich discussions and networking opportunities. Attendees participated in engaging sessions, poster & oral presentations, workshops, and keynote presentations, sharing innovative ideas and best practices. Ms. Salwa Ahsan (Chief Pharmaceutical Officer) and Shinza Arshad (Clinical Pharmacist Oncology) represented Pakistan and Shifa through their poster and oral presentation respectively. Both the projects generated great interest and appreciation, so much so that the oral presentation of Shinza Arshad pertaining to Pharmacists' interventions in curtailing prescribing errors was among the 'finalists' in the oral presentation competition. It's an honor that team Shifa brings back home!

BILL PAYMENTS MADE EASY WITH KUICKPAY SOLUTION TO IMPROVE PATIENT FACILITATION

The admission and Discharge Department of Shifa International Hospital is striving to continuously improve Patient facilitation and satisfaction more and is pleased to introduce a new mode for online payments in collaboration with the "Kuickpay" solution. It is a fully integrated solution allowing patients/ attendants to pay their bills instantly without any delay of verification. All payments made through Kuickpay are automatically deposited in the patient's bill. Receipt is issued to the patients on their mobile number.
